

## Bio-Shape | FIRMING FACE MASK

AM/PM

pH 6.25 - 6.50

### DESCRIPTION

This age-defying mask helps improve skin texture while helping to firm and plump for a more lifted and sculpted appearance.

### BENEFITS:

- Delivers instant and long term lifting, tightening and smoothing benefits to skin
- Ultra-rich mask provides superior moisture to plump and hydrate skin
- Provides the optimal environment for skin to naturally rejuvenate on its own to improve skin firmness and skin texture (reinforces the skin matrix "skin architecture")
- Reduces the appearance of sagging skin and gives the face/jawline a more lifted and sculpted appearance (improves the look of facial contour)

### CONDITIONS:

- Mature
- Dry

### KEY INGREDIENTS:

- **Acetyl Dipeptide-1 Cetyl Ester:** powerful peptide that helps fight against skin sagging
- **Oat Kernel Extract:** a sugar-based tensor ingredient that adheres to the surface of skin creating an elastic, flexible "lifting film." Provides the appearance of an immediate smoothing affect as well as long-term results
- **Plantago Lanceolata Leaf Extract:** botanical extract that has powerful soothing and antioxidant capabilities
- **Panthenol and Vitamin E:** soothes and conditions skin
- **Allantoin:** helps to exfoliate and smooth skin as well as aids the skin to retain moisture
- **Shea Butter and Glycerin:** help provide ultra-rich moisturization

### HOME CARE:

PM Use

- Apply a generous amount to clean, dry skin and massage into skin using circular motions.
- Leave on skin for 10 minutes and then gently remove excess with a tissue and massage any further excess product into skin.
- For best results, leave on overnight. Follow with moisturizer.
- May be used up to 3 times per week.
