

Lumi Crystal | LIQUID CRYSTAL LIP HYDRATOR

AM/PM

DESCRIPTION

Coat your lips with luxurious, iridescent shine with this age-defying lip hydrator that seals in intense moisture for a rejuvenated look. Formulated with a 90% liquid crystal base and a peptide, this liquid crystal lip hydrator transforms the look of skin and deeply conditions lips. Leaving behind a high-shine, prismatic effect, this gorgeous topper keeps lips looking lush and plump, revealing a youthful-looking pout.

BENEFITS:

- Provides intense moisture to lips
- Minimizes the appearance of fine lines
- Lips appear more youthful
- Improves lip definition and color
- All natural-fig flavor (Recognized as Flavor of the year 2018 by Firmenich, Switzerland)

CONDITIONS:

- All Skin types

KEY INGREDIENTS:

- **Liquid Crystal Emulsion/Structure/Base:** The liquid crystal base which makes up 90% of the formula, provides intense moisture and fullness to lips.
- **Organic Mustard Sprout:** Helps boost moisturise and enhance shape to visibly plump lips.
- **Portulaca Pilosa Extract + Palmitoyl Tripeptide-38:** Helps soften lips and reduce appearance of lines for fuller, more youthful looking skin.

HOME CARE:

Apply daily to moisturize lips and add a hint of color. Wear alone or pair with your favorite lip liner or lipstick.

PROFESSIONAL TIPS:

- Pink liquid crystal base is similar to the popular Opti Crystal formula but is fortified with ingredients to plump appearance of lips.
- Pair with Enhance at night for complete lip regime.
