

MASK

Micro | DEFENSE MICROBIOME SHEET MASK

AM/PM

DESCRIPTION

Micro Defense Microbiome Sheet Masks are infused with a moisture rich prebiotic serum to help ease skin discomfort while nourishing the skin and helping improve barrier function. These masks help restore beneficial flora to the skin which aids in protection from environmental stressors and helps to maintain the microbiome.

SKIN TYPE

❁ All Skin Types

SKIN CONCERN:

❁ Mature Skin
❁ Dry
❁ Photodamaged
❁ Fine Lines/ Wrinkles

KEY INGREDIENTS:

❁ Alpha-Glucan Oligosaccharide
❁ Sodium Hyaluronate
❁ Almond Oil

HOME CARE:

Remove sheet mask from package and position mask side down on clean, dry skin. Smooth to fit the curves of the face adjusting around eyes, nose and mouth, then gently peel mesh away from mask. Leave on skin for 15 minutes. Remove and massage remaining serum into the skin. Follow with moisturiser according to skin type. Recommended 2-3 times per week or as required.

CAUTION:

For external use only. Keep out of reach of children. Contains traces of tree nuts.
