

# Peptide Rich Defense

MOISTURIZER WITH BROAD SPECTRUM  
SPF 30 SUNSCREEN

pH N/A

## Product Description

Taking skin defense to a new level, Peptide-Rich Defense with broad spectrum SPF 30 helps protect the skin from the harsh effects of the sun as it provides the ultimate blend of rich peptides and amino acids. This unique formula protects as well as moisturizes the skin to help prevent and reverse the signs of aging. With regular use, you will improve the look of skin firmness, tone and texture while you help protect against future damage.

## Benefits:

Firming  
Hydrating  
Rejuvenating  
Optimal Sun Protection

## Active Ingredients:

**Avobenzone 3.0%**  
**Octinoxate 7.5%**  
**Octisalate 5.0%**  
**Oxybenzone 5.0%**

## Directions for Use:

Home Care: Apply daily to face, neck, décolletage and hands. Repeat as necessary. Apply 15 minutes prior to exposure to the sun.  
Clinical Use: Can be used after facials, but avoid using directly after a peel. Can be recommended for home care and pre and post peel.
