

Serum 16 | RAPID RENEWAL COMPLEX

PM

pH 5.8 - 6.8

DESCRIPTION

Powered by LG-Retinex and loaded with Vitamin E, this rapid renewal complex is the perfect way to introduce dry, sensitive skin to a Retinol product. Non irritating, hydrating formula normalizes skin and renews with amazing results.

**BENEFITS:**

- Increases cellular turnover
- Reduces the appearance of fine lines/wrinkles
- Improves skin texture and tone
- Brightens the look of age spots and discoloration
- Boosts vital hydration
- Helps “lift” away visible irritation and signs of damage
- Less irritation/redness than traditional retinol products

CONDITIONS:

- Thin fragile skins
- Dry/Dehydrated
- Breakout Prone
- Photodamaged
- Mature Skin

KEY INGREDIENTS:

- **LG-Retinex:** Microencapsulated Retinol/Retinal Complex that reduces the look of medium to deep wrinkles
- **Sodium PCA and Squalane:** Boost hydration and help prevent moisture loss
- **Vitamin E:** Defends skin against ageing

HOME CARE:

Home Care: Apply a pea-sized amount to clean skin as tolerated every 1-3 nights, working up to nightly use. May be followed with moisturizer if additional hydration is needed. Daily sunscreen use is mandatory. Do not apply to eyelids.

ALL INGREDIENTS: Water, Caprylic/Capric Triglyceride, Lactic Acid (L), Glyceryl Stearate, Glycerin, Cetearyl Alcohol, Water, Hamamelis Virginiana (Witch Hazel) Water, Carthamus Tinctorius (Safflower) Seed Oil, Glycerin, Sodium Lactate, Sodium Acrylates Copolymer, Phospholipids, Hydrogenated, Polyisobutene, Polysorbate 20, Cetyl Alcohol, Galactoarabinan, Glycosaminoglycans, Retinol, Retinal, Potassium Hydrolyzed Polygamma-Glutamate, Proline (L), Sodium Hyaluronate (L), Tocopherol (D-alpha), Squalane, Helianthus Annuus (Sunflower) Seed Oil, Tapioca Starch, Leuconostoc/Radish Root Ferment Filtrate, Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Santalum Austrocaledonicum (Sandalwood) Wood Oil, Lavandula Hybrid (Lavandin) Oil, Hydroxypropyl Starch, Phosphate, Dimethicone, Polyglyceryl-10 Stearate, Lecithin, Xanthan Gum, Tetrasodium EDTA, Citric Acid, Alcohol, Potassium Sorbate

Not safe for pregnant, or lactating women due to Retinol
